INNOVATION | COMMUNICATION | PROBLEM SOLVING | CREATIVE THINKING

Friday, May 16, 2025

Logan Middle School – 8:30 am to 2:00 pm

Thursday, May 22, 2025

Longfellow Middle School – 8:30 am to 2:00 pm

Western Technical College – La Crosse Campus

Junior Achievement, in collaboration with Western Technical College, invite 7th-grade students to enjoy a day of hands-on career learning opportunities!

The **Technical Career Challenge** provides students with a unique opportunity to explore exciting technical careers through interactive and hands-on learning experiences.

Students will work in small groups, engaging in activities led by industry experts to explore a range of technical fields.

This event is designed to inspire creativity, enhance problem-solving abilities, and build critical communication and innovative thinking skills that are essential for success in today's technical world.

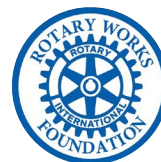

Learn about careers in:

- Fire Protection
- Health Care
- Transportation
- Agri-Business Science and Technology
- Construction
- Electrical Work
- Welding
- Marine Construction and Welding
